EXPERIENCE

01-2019 to present

– Vinx VietNam (Fujinet System)

Is an official employee of Fujinet System, but 100% works at Vinx Vietnam (VVC). Here I have the opportunity to interact and work with Japanese customers, Learn a lot of the entire workflow, ways of thinking, new technologies, teamwork and the culture of Japan.

05-2018 to 11-2018

– Proptech Plus

I have been in the group for about 6 months to develop an apartment management system using Microservices architecture. I mainly build APIs in the backend and communicate between services ...
